

JUST GIVING PAGE set up – TEAM DOMENICA

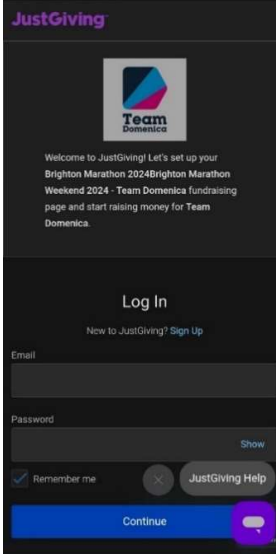

1. Please, follow the JustGiving Campaign page link given to start the process:
<https://www.justgiving.com/campaign/marathonweekend24>
2. That will lead you to the Team Domenica Campaign page:

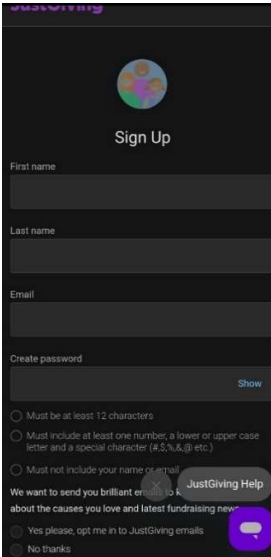

3. Scroll through the page to see the button that says: "Start Fundraising".

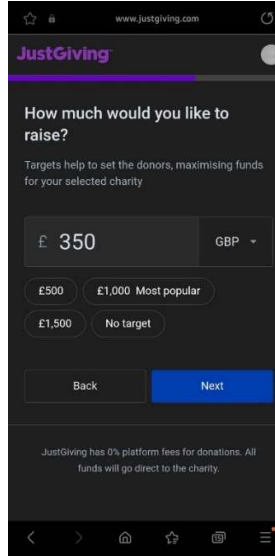

4. Now click on the button to start creating your Fundraising page. If you already have a JustGiving page, please *log in*.

5. Or *sign up* if you haven't created a Just Giving page before:

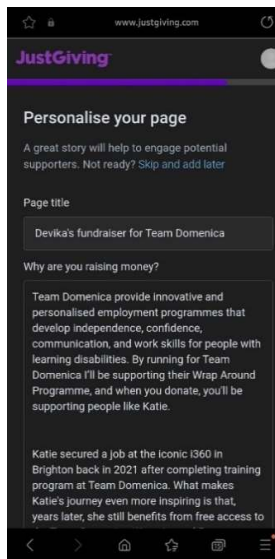

6. Once you are signed up, it will take you to the page for setting a target for Fundraising:

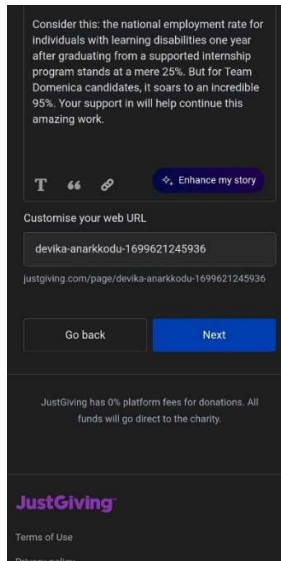

The target is set to £350 for Brighton 10K runners and the Marathon Runners can change it to £750.

7. Once the target is set, please press “next” to then go to *Personalise your page*. There is a customised answer provided, but feel free to customise the page based on your motivation to take part in the marathon.

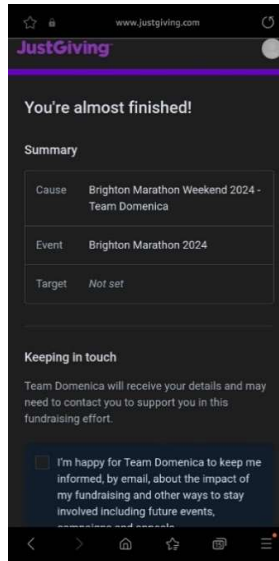

8. Once the page is customised press “next”

9. Now is the final step to add any photo to make the page more personal. This will help your supporters identify you easily and bring a personal touch.

10. Finally press next and this will give you a summary of your JustGiving page. Once you have checked all the information, please press finish to go to your JustGiving page.

11. You have made your JustGiving page ready to share. Feel free to edit whenever to make it as personal as possible.
