

Setting Up a Charity Fundraising Page on JustGiving

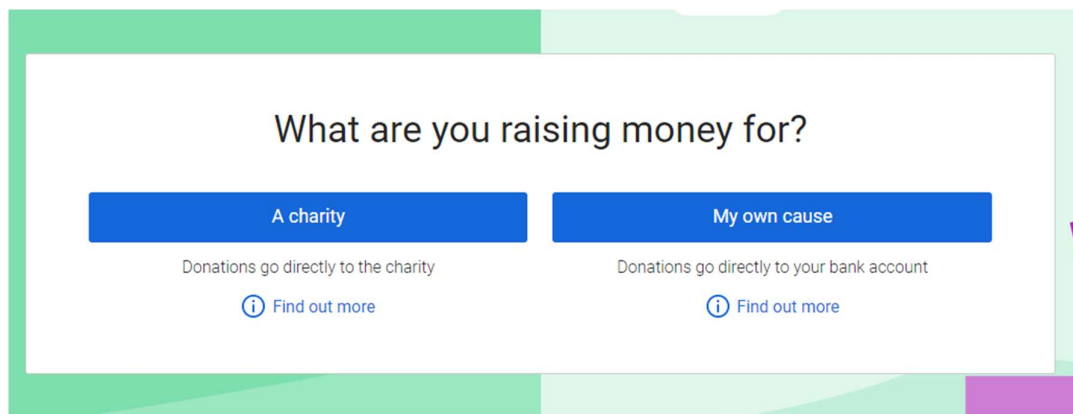

It's quick and easy to set up a Fundraising Page for a registered charity.

Just follow the steps below to create your page:

1. [Log into your account](#) and click “Start Fundraising”.

2. Click "A Charity", to the question "What are you raising money for?"

3. Search for “Team Domenica”.
4. Select the event you're doing. If you can't see your event listed, select “Doing your own thing” at the bottom of the page and tell us a bit more about your activity.

What are you doing?

5. Choose your Fundraising page URL– this is the link you'll be sharing with friends and family when asking them to donate and tell us whether you're selling a product or running a raffle, as your page may not be eligible for Gift Aid. Click [this article](#) for more information on Gift Aid.

Click 'Create your page' and job done! Your Fundraising Page is now set up and ready to accept donations. We'll send the money that you raise to your charity every week, so there is nothing else you need to do.
